

TDBank's Affinity Membership Program

NAR is privileged to have been accepted as a participant in the Affinity Membership Program of TD Bank.

TD's Affinity Membership Program offers an easy way to raise money for NAR. There are NO costs involved. All that is needed is to have those who bank with TD, either personal or business accounts, tell their TD Bank representative to encode their account with **NAR's Affinity number AF353**.

TD will make an annual contribution to NAR based on the average balance of our registered accounts. Existing and/or new accounts are eligible. (*Account types include: checking, savings, money market, certificate of deposits, retirement accounts.)

Does your employer offer a Matching Gift Program?

If so, your charitable gift to us could help us raise even more funds because of the matching gift program offered by your employer. If offered, programs usually match your gift dollar for dollar. Some may double or even triple your gift!

This program does not cost you, the donor any more money. Simply ask your Human Resources representative, or your supervisor, if your employer has a matching gift program. If so, fill out the appropriate paperwork and mail it to Northeast Animal Rescue along with your donation. We will do the rest.

Please check with your employer, as some companies will match gifts given by a spouse or retirees. If you have any questions, please contact us.

Shop Goodshop.com

Northeast Animal Rescue has paired with Goodshop.com to offer you coupons for thousands of stores while donating up to 20% of what you spend – at no cost to you – to help us save cats! Use Goodshop coupons on discounts for items such as car batteries from Sears, flight deals from Orbitz and fitness trackers from Kmart. Saving money while helping us place abandoned, homeless and unwanted cats into loving homes is easy; simply sign up, designate Northeast Animal Rescue as your cause and use Goodshop when shopping online!

Can I have a lasting effect on my community?

Perhaps you've asked yourself that at one point. Do you feel that it might not be possible? It may be easier than you think at present.

While we all wish our lives will be long and happy, at some point we must discuss our end of life decisions. It may not be an appealing topic of discussion, but it can be a satisfying one. Are there persons, projects or organizations that are special to you? Do you feel that assisting them after you're gone will give you some peace of mind now? Do you feel that the work Northeast Animal Rescue does is worthy of your assistance and would you consider helping us?

If so, please make sure you designate a gift to NAR in your Last Will and Testament. As a not-for-profit organization, Northeast Animal Rescue can receive funds bequeathed in your Will.

Please consult your legal adviser about formalizing a gift to NAR. The information you will need is: Northeast Animal Rescue Inc., PO Box 52395, Philadelphia, PA 19115. Our tax ID number is available upon request. Any questions about bequests can be directed to: narcats@gmail.com Please mention "Bequest" in the subject line.
